MEMORANDUM FOR: Director of Research and Development

SUBJECT: Stanford Research Institute Parapsychology
Research

Attached herewith are two reports summarizing the final work by SRI for OTS, together with a memorandum by [REDACTED] discussing the status of the parapsychology program. As you are no doubt aware, I directed that OTS support of this effort be terminated. I continue to believe that it would be inappropriate for us to continue it; however, if ORD desires to pick it up, be my guest.
