MEMORANDUM FOR THE RECORD

SUBJECT: Assessment of Unconfirmed Information Provided by an Unevaluated Source, Against the [REDACTED] (S)

SG1A

1. (U) The following information applies:

a. (S) Source states that he was in the [REDACTED] and that the primary construction of the buildings there was masonry. He stated that most of the buildings were very old.

SG1A

b. (S) Source stated a very large shed or covered building type of structure which was supported on large pillar shaped columns with an ornate top to each column. He stated there was nothing currently being stored under this shed type of building.

c. (S) He reported seeing an APC type of vehicle parked next to six light tanks.

d. (S) An oblong shaped object was reported as being located in the approximate facility center.

e. (S) Source also stated that he did not think vehicles were allowed on the streets, only foot traffic.

2. (S) Request the above information be evaluated and comments be provided to the undersigned no later than 25 April 1980, in order that an evaluation of the source's information can be performed.
