SG1A

a. (S) Source stated that his target was a large wooden, very white, building, with a red roof.

b. (S) Source stated that the roof on this building was covered with what appeared to be a "tin" type of material.

c. (S) He stated that the interior of the building was empty and there didnt appear to be any ongoing activity, nor would there be any activity on the 24th of June, at 1100 hours. He described what would appear to be some sort of empty stalls (walled partitions) lining both sides of the buildings interior.

d. (S) The source stated that there was also a truck parked in the vicinity of the building.

e. (S) Source didn't feel that he was given the right coordinates for the target, because he stated that it area looked like a large old farm.

2. (S) Request the above information be evaluated and comments be provided to the undersigned in writing no later than 27 June 1980, this will permit a full evaluation of the source of information for both accuracy and intelligence value. Information is pertinent to 1100 hours, 24 June 1980.
