CD08 #36	Same as above w/different time windows. (0800 hrs, 18th & 26th of May 1980)	Same as Viewer. Note the Interviewer has additional knowledge of first Viewers comments & feedback.	Viewer was told by GF Analyst that there <u>did not</u> appear to be any correlation to the target during his session.*	14 May 80 19 May 80	Information was reported by phone to ITAC Analyst. Information in no way corresponded to the target.	ITAC Analyst did not provide a formal or written response as the session did not produce any corresponding target info.
		NOTE: THIS WAS [REDACTED]	SG1A			
CD09 #32	Same as above, w/a different targeting time/date of 0800 hrs, 22 May 80.	Same as Viewer, as well as having knowledge of info provided by viewer during sessions CD07 & CD08.	Viewer was told that there was info provided by him that correlated to some degree with his target.	14 May 80 19 May 80	a. Large cleared area. b. Small building w/no windows. c. Constructed to hide or hold something. d. Looks like an unfinished construction job. Although fully operational it is completely deserted. e. No on-going activity. No people present	a. Plausible site description. b. There was no activity on-going.
		NOTE: THIS WAS [REDACTED]	SG1A			

\*Viewer was greatly disturbed by noise and had little concentration during this session.
