NOT RELEASABLE TO FOREIGN NATIONALS

19 June 1980

REPORT #CD-55, 18 Jun 80

SG1A SUBJECT: Function of Building in vic Coordinates
[REDACTED] (S/NOFORN)

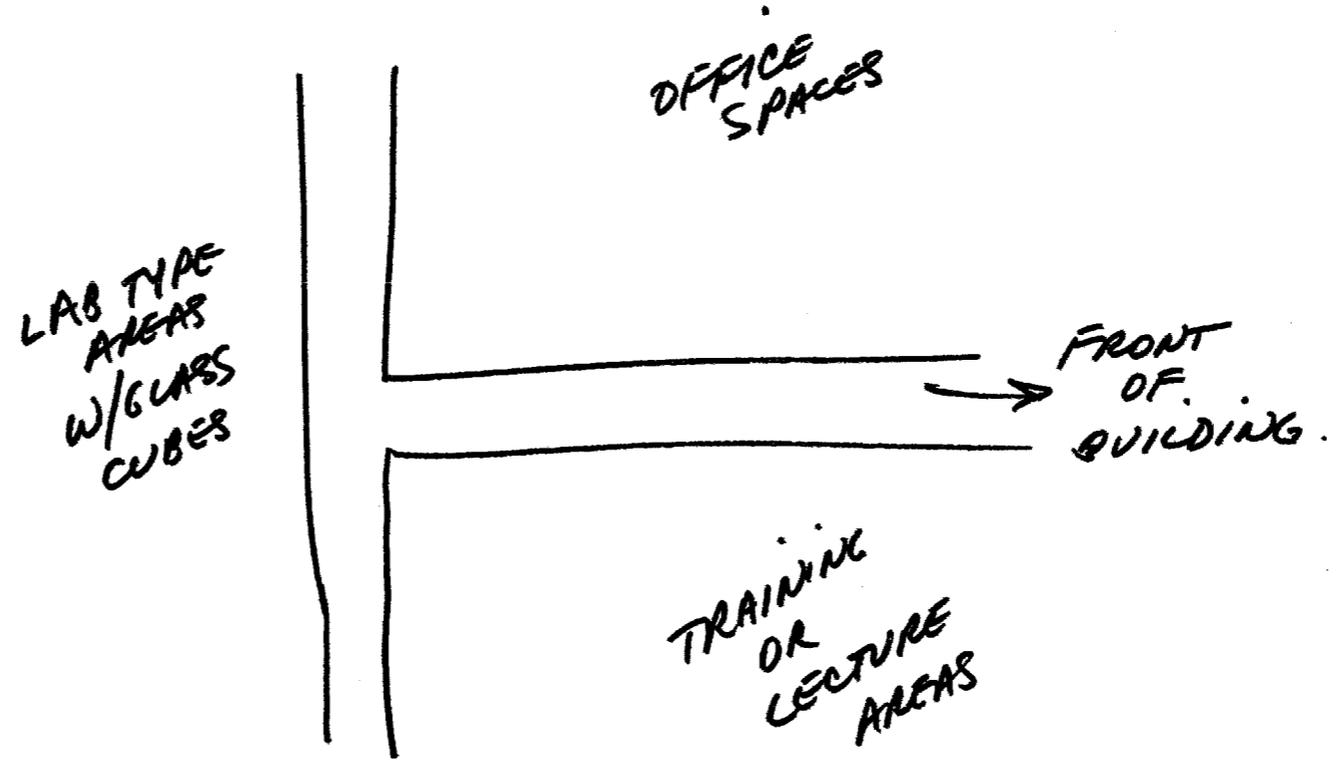

SG1A

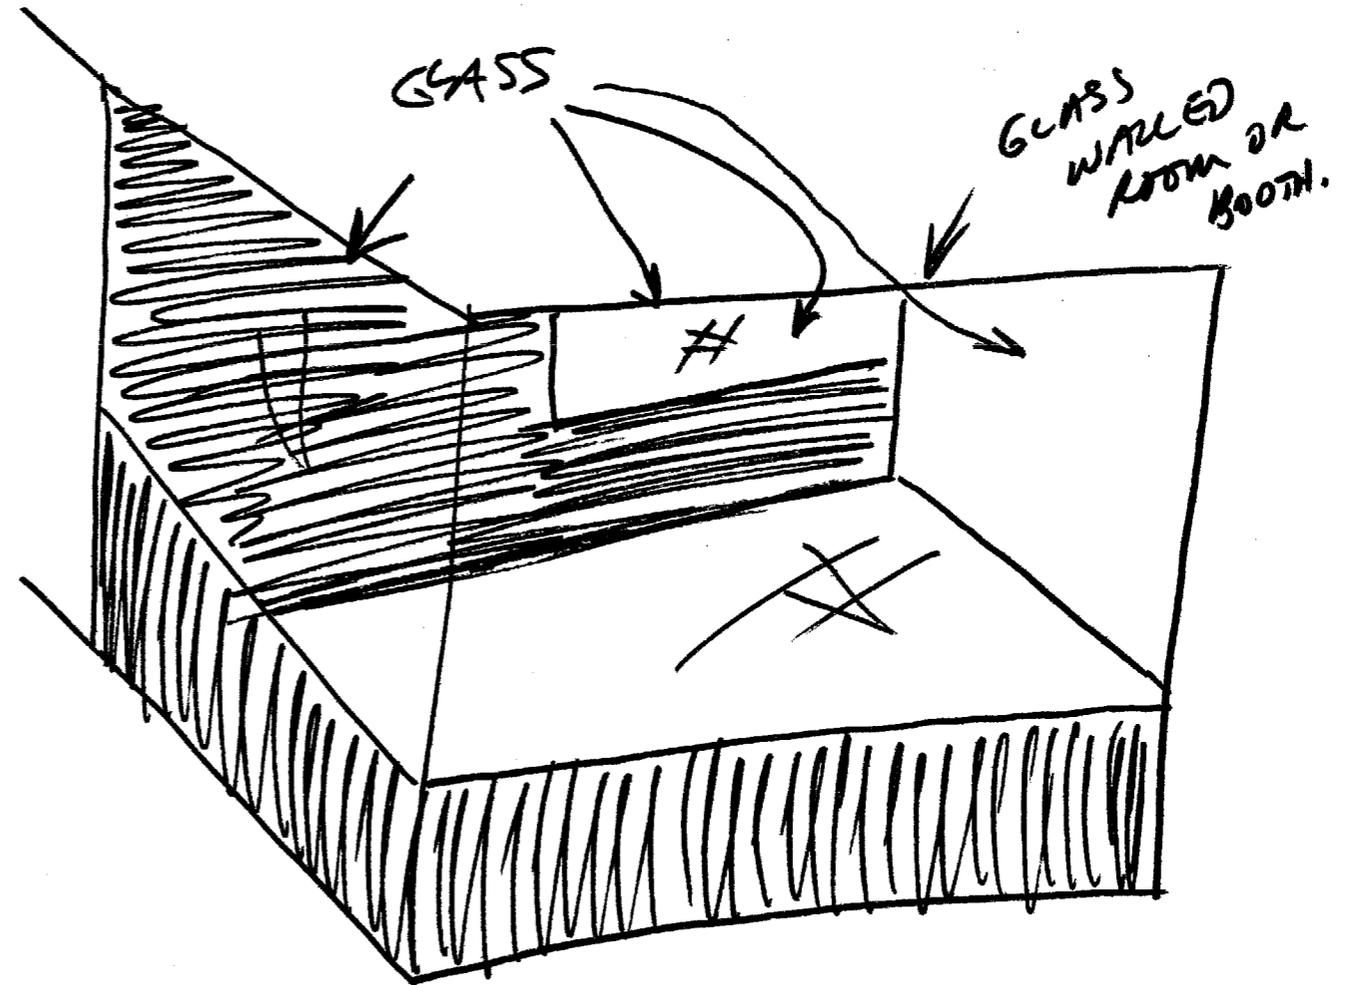

1. (U) Reference Report #CD-54, SAB.
2. (S/NOFORN) Following information is provided in response to USI tasking concerning function of building near [REDACTED] Specific collection requirement was to determine what is going on inside designated building. SG1A
3. (S/NOFORN) Source provided the following details:
 - a. (S/NOFORN) That inside of building had area of glass booths like cubicles of glass (see drawings 1 and 2, TAB B). Described them as being large, almost room size.
 - b. (S/NOFORN) Source kept on reporting on low frequency sound/pulse but did not know origination.
 - c. (S/NOFORN) That very small portion of this building looks like a lab, but it is not a medical facility. Area was a mixture of 2/3 different things.
 - d. (S/NOFORN) Source reported electronics associated with this area. Had impression that some equipment might be photographic type in nature.
 - e. (S/NOFORN) Reported that specially trained people work here.
 - f. (S/NOFORN) Source reported that people who work here are not the same nationality as owners of the property. Three languages spoken here. Some people serve as advice and assistance team.
 - g. (S/NOFORN) Source reported that function carried out in building had something to do with pulsed low-frequency sound vibrations and guided, precision implements.
4. (U) Request evaluation and comments concerning this report be provided to this office NLT 2 July 1980.

TARGET CUING INFORMATION

REMOTE VIEWING (RV) SESSION CD-55

1. (S) The viewer was shown overhead imagery of the target area, and, at that time, the building of interest was pointed out to him. He was asked to access the building and describe its interior, its function, and to describe the type of activity that takes place there.
2. (S) During the session the viewer was provided the geographic coordinates of the compound and asked to focus on the designated target building.
