DC65	46	[REDACTED]	Geo coordinates & a request for a description of the area. also that the tasker desired to know information that he had reported on this tgt before. He was told that his previous description of the area was good. The previous session on this tgt by this source was D-86	None	15Jan81	21Jan81	The source indicated there were hills at tgt site, also a pole with 3 antenni mounted on it. One looks like an old round electric heater. Direction finding miniature towers, something about relay. Sandy beach & water. Spanish type people, one civ (Tech) the other are military.	The analyst reports that the session was of no value. Tgt area is flat cultivated. No sandy beaches in vicinity. Doubt that Spanish people at [REDACTED]
