SUBJECT: Summary of Unconfirmed Source Information Pertaining to [REDACTED]

SG1A [REDACTED] S)

1. (S/NOFORN) The following information was provided during an interview of the source at 0900 hrs on 11 Jul 80 (S).

SG1A

a. The source claimed to have observed [REDACTED] dismounting from a large bus in a downtown Manhattan type area. He was seen moving rapidly across a wide sidewalk to a broad expanse of steps leading to a very large, tall building. The bus appeared unique in that it had protrusions fore and aft on the roof that looked somewhat like TV antennae (see drawing #1).

SG1A

b. (S/NOFORN) The source claimed to have subsequently seen [REDACTED] on top of the building leaning against a railing. The entire observation deck appeared to be inclosed by chain link netting.

c. (S/NOFORN) The source stated that he saw a tall suave white-haired gentleman approach [REDACTED] at the rail and talked with him. The source did not hear the conversation.

SG1A

2. (S/NOFORN) This data should be evaluated as soon as possible and comments provided to this office not later than 22 Jul 80. The comments will be used to evaluate the accuracy and intelligence value of the data provided by the source.
