TRANSCRIPT

REMOTE VIEWING SESSION 811
(8121)

TIME

#6.5: This will be a remote viewing session for 9 September 1981 with a start time 0900 hours.

PAUSE

SG1A

Okay #19.5 it's time for us to begin our mission for today. I want you to relax and tune your focus, and what I will do is I will move you to each of the five bunkers individually, and we will spend a few moments looking around accessing the inside, and locating the lawn mower that is marked with the initials "D.A.R." At this time I want you to focus your attention on bunker 1147, bunker 1147 at [REDACTED] Focus your attention and your awareness on bunker 1147, and let me know when you have acquired it.

PAUSE

+03 #19.5: There is nothing there.

#6.5: Am I to understand that you have already gone inside 1147.

#19.5: No, no lawn mower.

#6.5: Okay. I want you to move your awareness now to bunker 1153, bunker 1153.

PAUSE

#19.5: I'm getting a feeling that it's in that bunker, but I'm not sure. I see it kind of sitting there with the handle held up high, and it's pushed along the side, standing up on end with the handle up against the wall.

#6.5: Okay. Take a few more moments to look around in there, and relax, and look at this object from different angles. Maybe, that will help you.

PAUSE

#19.5: Yes. It is in that bunker.

#6.5: Okay. At this time, even though we have found where the lawn mower is hidden, I want to still move you to the other bunkers so that you will have a better awareness and feel for them. This time I want you to move to bunker 1181. Move your awareness around inside that bunker, and tell when you are satisfied.

SG1A

SG1A

1. (S/NOFORN) Prior to the start of the session, the Remote Viewer was told that the project involved trying to locate an object (a lawn mower) that had been placed in one of five designated bunkers at [REDACTED]. No one directly involved with the project knew the location of the object.
2. (S/NOFORN) The remote viewer was shown the attached photos of the bunkers, and a picture of the lawn mower with the initials "DAR" on it. The viewer was told that he would be asked to move to each of the bunkers and locate the lawn mower.
3. (S/NOFORN) The remote viewer was also shown a sketch map that indicated the location of the five bunkers.
