SUBJECT Special Intelligence Support Relating to the Kidnapping of BG Dozier - INFORMATION MEMORANDUM (S)						
REMARKS 1. (S/NOFORN) <u>PURPOSE</u> : To inform the Secretary of Defense of DIA and U.S. Army INSCOM joint effort in providing GRILL FLAME derived data to aid U.S. and Italian authorities in search for BG James L. Dozier. 2. (S/NOFORN) <u>BACKGROUND</u> : On 18 December 1981 DT was requested by COL C.F. Scanlon, the Deputy Chief of Staff Operations, Intelligence and Threat Analysis Center, INSCOM to assist in providing GRILL FLAME derived data to U.S. authorities in Europe concerning the search for BG Dozier. SRI International was contacted on the afternoon of the 18th and they immediately started on the problem. The resulting information was passed in portions over the weekend to DT. In consideration of the perishability of the derived data, DT then passed the information as received to the NMIC for immediate message (Encl one opposite) transmittal to U.S. and Italian authorities in Europe. On the 21st of December the final portions of the information were received from SRI International. The next day DT and INSCOM personnel drafted a message (Encl two opposite) and data package (Encl three opposite) consisting of combined DIA/INSCOM data. This combined data was then passed to the and to JSOC for their use. 3. (S/NOFORN) <u>DISCUSSION</u> : Although we have not received any feedback on the accuracy or usefulness of the forwarded data, we believe the Secretary of Defense should be informed of the efforts and capabilities of the GRILL FLAME project in the Dozier case, and in future situations where these methods may prove to be helpful. 4. (U) <u>RECOMMENDATION</u> : Recommend you sign the Memorandum.
