REMARKS

1. FYI, DOD is acquiring an active group of psychics in support of the Dozier investigation. Our own GRILL FLAME operational element has been contributing, but in addition Dr. Vorona of DIA has some SRI contract efforts involved. CIDC also acquired a psychic and sent him to Italy and VGSA has had ODCSOPS (ODSO) pick up another referred by a NG official.
2. The inclosures show the type of information being provided. Additionally BG Moore has recommended that DIA send someone from Dr. Vorona's office to Italy to try to tie all this effort together and evaluate its effect. This is probably an excellent idea given USAREUR and SETAF frustration with this fragmentary information.
