TRANSCRIPT SUMMARY

REMOTE VIEWING (RV) SESSION D-88

1. (S/NOFORN) The viewer described the interior of the "Metro" building as being similar to a military post exchange or like a services building. At one point he thought he saw vehicles in one part of the building. The viewer also thought the building might be associated with food in some way. The remote viewer also perceived what he thought might be a swimming pool somewhere in the target area.
2. (S/NOFORN) All attempts to focus the remote viewer more precisely on the target met with negative results. The viewer was tired and fatigued and was unable to provide further relevant information.

TARGET CUING INFORMATION

REMOTE VIEWING (RV) SESSION D-88

1. (S/NOFORN) This remote viewer had been working on the hostage situation in Iran for nearly a year, and has been exposed to a myriad of information with classified and open source.
2. (S/NOFORN) Prior to this session the viewer was shown overhead imagery of the US Embassy compound in Teheran, Iran. Building "Metro" was pointed out to the remote viewer. He was told that this building would be his target.
