MEMORANDUM FOR ADCSOPS-HUMINT

SUBJECT: FONECON - Dr. Vorona

1. At 0745 hours, 9 April 1982, Dr. Vorona, DIA called and discussed the following. He was satisfied with the responses and had no immediate tasking.

a. Briefing for Staffers - Dr. Vorona asked when the briefings were scheduled. I informed him that LTC Jordan, OACSI, was scheduling the briefings. Dr. Vorona said that it should be a combined briefing i.e. all the staffers should be gathered and briefed at one time. Dr. Vorona will call LTC Jordan.

b. Reclama to Congress - Dr. Vorona asked if we had any "grabbers" that could be used in the reclama. I told him that a copy of the briefing book we used to brief BG Strom was being delivered to COL Kennedy, OACSI, today. He said that was fine and he would get access to the book there. Dr. Vorona stated he would respect any confidences between INSCOM and other agencies.

2. Dr. Vorona further indicated that FY 82 reprogramming to provide INSCOM training was being held in abeyance pending a completion of the current FY83 Congressional actions.

3. I invited Dr. Vorona to Fort Meade, at his convenience, for an update briefing on INSCOM's program. Dr. Vorona appreciated the invitation and said he would come when the current actions were completed.
