MEMORANDUM FOR LTC JACHIM

SUBJECT: ABC News, Channel 13, Evening Edition, 01 February 1982.

"Finally ABC News has learned that the U.S. Defense Department used Clairvoyance in an effort to find Doizer. This is the first known time that the Defense Department has used what is known as parapsychology in an ongoing military investigation, and the first known time these methods have been used against terrorists. The American embassy in Rome received a number of messages from the Pentagon with parapsychological information on the alledged location of Doizer, which was turned over to the Italian Police for checking. For example; a Defense Department Medium had visualized a quiet farm house outside Verona with a river running near it, and the medium had even conjured up a vision of the room in which Doizer was being held. Italian Police raided a number of farm houses that fit the mediums vision at gun point, and in one found an Italian businessman spending a quiet weekend with his lady friend. Other raids were carried out by Italian police based on Parapsychological information provided by the pentagon but with no results. It was not mediums but hard police work which finally turned up the hide out where General Doizer was held for 42 days." (Pierre Salinger - ABC News - Rome, Italy)
