

MEMORANDUM FOR THE RECORD

22 Feb 82

SUBJECT: Visit to OACSI (COL Kennedy)

1. On 17 February 1982, I visited COL Kennedy (DAMI-ISH) at his office in the Pentagon. Following items were discussed:

a. Funding - COL Kennedy showed me a copy of the Budget Bill provision which specifically prohibited INSCOM from reprogramming money to cover external contracts. OACSI was pursuing a method of funding which involved DIA financed the training, while INSCOM financed an equivalent amount to a Army project which DIA supported. This approach is currently under review at DIA Legal and COL Kennedy is working direct with Dr. Vorona.

b. INSCOM Protocols - I reviewed for COL Kennedy the status of our submission to MG Rapmund (Deputy Surgeon General) of the INSCOM protocols which have been in for review since late summer 1981.

c. Scientific Panels - COL Kennedy stated the approval by MG Thompson to fund (\$30 K) MG Rapmund scientific panels concerning GRILL FLAME basic research, had been concurred in by BG Odom. However, no action had been taken to his knowledge by MG Rapmund to use the money.

d. BG Dozier - General conversation concerning the attempt to locate BG Dozier through official and non-official GRILL FLAME sources.

2. Other general topics were covered.

R. Jachim
