MEMORANDUM FOR RECORD

SUBJECT: Trip Report 27-28 Sep 83 (U)

1. (S/CL-4/NOFORN) On 27 and 28 Sep 83, the undersigned was TDY to New York City, New York for the purpose of liaison with SRI-International subcontractor, Ingo Swann.
2. (S/CL-3/NOFORN) During this visit we inspected SRI-I facilities in NY and found them to be less than desirable. We also inspected the ASPR facility, but this wasn't suitable due to possible security problems.
3. (S/CL-3/NOFORN) During my visit Hal Puthoff called and I spoke with him. I told him the best situation would be for his people, who understand the requirements of our contracts, to fly to NY with check-book in hand to rent suitable space; he agreed to this.
4. (U) During this trip I traveled to/from NY by AMTRAK. I consider this to be a convenient and desirable mode of travel if it becomes necessary to travel to NY in the future.
