MEMORANDUM FOR RECORD

SUBJECT: Notification of Disestablishment of CENTER LANE

1. (S/NF/WNINTEL) On 13 March 1985 I met with LTC David Clark, CDR, MI Bn(S), 902d MIG, to inform him that the MOA that attached CENTER LANE to DIA became effective on 7 March 1985. This attachment would have no direct impact on the Battalion, and no change on the relationship between the detachment and the Battalion was expected during the period of attachment.
2. (S/NF/WNINTEL) During the period of attachment, the former CL unit would continue to use the SSPD designation, and use the Battalion's headquarters for administrative support. LTC Clark approved this approach.
3. (S/NF/WNINTEL) I told LTC Clark that I considered this discussion formal notification of the attachment, and that for security reasons I would not notify him in writing. I would, however, prepare a letter to the OPSEC Support Detachment, notifying them of the attachment, and the cancellation of the formal requirement for OPSEC support.
