Dear *Hal* Dr. Puthoff:

(U) References.

a. Letter, IAGPA-F-SD, INSCOM, April 24, 1984, subject as above.

b. Meeting with LTC Buzby July 25-26, 1984 concerning CENTER LANE status reports.

(S/CL-3/NOFORN) The documentation concerning Contract DAKF27-83-C-0018 and Statement of Work ESU-83-147, and the information copy of the Final Report on DIA Contract MDA908-82-C-0034 have been received and are greatly appreciated. However, as requested in reference a and as discussed during the meeting cited in reference b, I have not received documentation concerning Statements of Work ESU-83-134, ESU-83-144, ESU-83-145, and the deliverability of Stage V training under ESU-83-148.

(S/CL-3/NOFORN) In view of the pending proposed changes affecting Project CENTER LANE, I am particularly anxious to receive a current status report on Statement of Work ESU-83-134, which was promised by Ed May during my visit in July, and the status of Stage V training. As this information is vital to the continuation and expansion of Project CENTER LANE, I trust that you will ensure a rapid response.
