EXECUTIVE SUMMARY

SUBJECT: Recent CENTER LANE Work With NSA (U)

1. (S/CL-2/NOFORN) In the past three months this office has been involved in three projects for NSA:

SG1B

2. (U) These projects have been conducted for the Communications Security Organization, NSA; a total of eight interviews have been conducted. The projects have produced information of significant value to NSA. The NSA contact analyst has been particularly cooperative in providing this office with written evaluations of our work. He has also requested further investigation of particular areas of interest on all the projects. At this time 8307, 8308, and 8309 are active projects. Based on results produced by this office, the Communications Security Organization, NSA, intends to provide further investigative tasking in other areas to this office.

3. (U) The NSA contact analyst informed this office that they plan (but have not yet coordinated) to brief the Director, NSA, on the above CENTER LANE projects sometime during September 1983, and that they plan to extend an invitation to the CG, INSCOM to attend the briefing.
