MEMORANDUM FOR THE ASSISTANT CHIEF OF FOR STAFF INTELLIGENCE, USA

SUBJECT: CENTER LANE Funding (U)

*B.I.I.:*  
(S) For the budget forecast, I have assumed that CENTER LANE can reach full operational capability in FY 1985 and that Congress will agree before mid-November to its use as a national intelligence asset. I will protect FY 1985-1989 resources for it if you will agree that:

-- Army will continue parallel capability development in Programs 2 or 6.

-- If we do not have agreement of key authorization and appropriations committee members by mid-November, the protected resources revert to the Program Manager.

-- If CENTER LANE becomes an operational GDIP asset in FY 1985, and if the Program Manager requests it, Army will transfer residual capability development from Programs 2 and 6 to the GDIP.

(U) To protect funds in the final ranking for the budget forecast, I need your answer by noon, 2 June.
