Summary Project 8404

13 April 1984

1. As of COB 11 Apr 84 this office has run eight sessions on this project. Since receiving tasking on 20 Mar 1984 CENTER LANE personnel have maintained a minimum of twice weekly liaison with the CIA and have on some occasions been in contact with them twice daily. For the first seven sessions the EEI was as follows:

- a. Determine location of William Buckley.
- b. Determine his physical and mental condition.
- c. Identify his captors.

For the eighth session the third part of the EEI changed from identify his captors to find out who we should contact to arrange for his release. The eighth session also differed from the first seven in that the first seven sessions were conducted in present time or in past time. The eighth session was directed at finding his location and physical condition on a future date 20 April 1984. It was hoped that by focusing on a future date we would be able to develop information that would
