

Welcome to SRI.

During the next five days, we expect to conduct six remote viewing sessions. The work schedule that is shown in Table 1 has been optimized with regard to work, rest, and information periods to enhance the likelihood of your success.

We would like to suggest a few things to you that may help you with your remote viewing task. First of all, be well rested, and as free as possible from any "pressing" matters. Secondly, try not to modify your normal daily routine. If this includes breakfast, for example, by all means don't arrive with the "pressing" matter of hunger! Lastly, keep in mind that there is no special "induction" procedure that will be required of you.

We included a few things to help you enjoy your stay in the Bay Area.

1. A map of the Menlo Park/Palo Alto area
2. A map of San Francisco
3. A very incomplete list of restaurant suggestions.

Thank you for coming to SRI. We are all looking forward to our week together. Please do not hesitate to ask if we can be of assistance to you.

Regards,

Hal Puthoff
