MEMO FOR THE RECORD

SUBJ: Summary of Meeting with LTC Kane, DCSOPS, AHS, 27 October 1978

1. Following notes cover major topics discussed between LTC Richard T. Kane, DCSOPS, INSCOM and myself on 27 Oct 78 at AHS.

a. LTC Kane gave me a brief outline on background of Project (GRILL FLAME) and how I had been selected to be INSCOM Project Manager.

b. He explained that Army had a contract (MIA has one through FTD) and that DARCOM has contract with SRI being worked at Aberdeen. That contract was being modified (75K being given to new "add-on" to existing project) to train INSCOM personnel.

c. I was to manage this new program and develop program within INSCOM.

d. ~~That~~ SRI wanted training to begin as follows: April-May-June: 1 individual per month. Training would be conducted at SRI and would last one month.

e. Dr. Targ, SRI, is running experiments now and, if possible, LTC Kane recommended I go visit ASAP.

2. We agreed that next step would be for me to contact ACSI action officer, Maj Bill Stoner (OX 5-5048) and set up briefing for me to get "read-in" on Army's status.

3. After leaving LTC Kane's office, I contacted Maj Stoner and arranged meeting for 30 Oct 78 at The Pentagon at 10 A.M.
