The conferees agreed to the Senate position to curtail all operational activities conducted by the Army in the National Foreign Intelligence Program at the end of fiscal year 1982. Accordingly, \$0.5 million and 12 spaces were reduced from the fiscal year 1983 GDIP. The conferees agreed to retain \$0.3 million for DIA to complete the third year of a 3 year research contract. Future funding -- if any -- of this research and experimentation activity should be budgeted outside the NFIP.
