I AFM-OPS-HU-SA

22 April 1980

MEMORANDUM FOR THE RECORD

SUBJECT: Briefing to Air Force ACSI, 10 April 1980 (U)

1. On 10 April 1980, I briefed the AF ACSI and selected members of his staff concerning the INSCOM Grill Flame Project. Following personnel attended the briefing:

ATTENDEES

BRIEFER: LTC WATT

MG JAMES BROWN	AIR FORCE ACSI/I
BG JOHN MARKS	AIR FORCE ACSI/I-DESIGNATE
COLONEL GREENBLATT	DIRECTOR, AF/INY
COLONEL GOLDFARB	CHIEF, AF/INYS
COLONEL PETTYJOHN	DIRECTOR, AF/INE
COLONEL WELLS	OACSI
LTC BLOOM	ACTION OFFICER, AF/INYS
MSGT BOYD	ADMIN NCOIC

2. This briefing had been requested by MG Brown and approved by MG Thompson.

3. Inclosure 1 contains the outline of my briefing.

4. Overall, I would say that the briefing was received in a very positive manner. MG Brown was very concerned with the operational tasks we had done and expressed some thoughts along the line "it's necessary to continue, but we really need to have a better handle on the phenomenon." Everyone agreed that the services could not afford to be involved in R&D matters, and that perhaps we'll never know the answer to this very puzzling question.
