MEMORANDUM FOR THE RECORD

SUBJECT: DIA Funding - FY 82

SG1J

SG1J

1. On 8 December 1981, [redacted] DIA COTR at SRI called me with the latest on FY 82 funding. [redacted] said he had been notified by Dr. Vorona that a decision had been made to fund DIA GRILL FLAME work at FY 81 level. The funding would continue until the human use issue and deletion of GRILL FLAME money by The House Appropriations Committee were resolved. Dr. Vorona stated this decision had been made after a meeting with DIA and DoD General Counsels and Comptrollers.

2. [redacted] stated the Senate-House Committee would probably meet Thursday-Friday and the results would be known shortly thereafter.

3. Also during the call [redacted] brought up the Swann Training Program, and asked my thoughts if Mr. Swann left SRI. I told him I could not give him an immediate answer but would have to think about it. However, my answer would be based upon what was best for the Army. I would not again agree to fund anything without knowing exactly what I was to get for the money.
