File

1. (S) On 5 November 1981, from 1400-1515 hours I met with [redacted] NSA member of DoD GF Committee, at my office. The meeting was requested by [redacted]. He prefaced the conversation by indicating he was only representing himself and not the Director NSA.

2. (S) [redacted] stated that the DIRNSA had not made any decision on any of the recommendations of the advisory committee he had directed to investigate NSA direct involvement in GF activities. While [redacted] did not directly state what the recommendations were, from the tone of our conversation two of the possible courses of action are: join the DoD effort, or initiate an effort strictly in-house.

3. (S) [redacted] asked if NSA became involved in GF activities, could we (INSCOM) support NSA. I informed [redacted] that first a request would have to be made to DA (ACSI) and if DA concurred, Commander INSCOM as the Operational Commander would have to decide if or how much support could be provided.

4. (U) Other conversation covered general topics.
