1. (U) [redacted] DIA-DT, called me at 1520 hrs, 30 Mar 81 to relay a question from [redacted] DIA GRILL FLAME representative at SRI-I. Apparently, [redacted] could not reach me and requested help from [redacted]

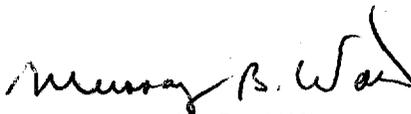

2. (S/NOFORN) Basically [redacted] wanted to know if INSCOM was going to send personnel to SRI-I during FY82 to participate in training under the new program that was being developed out there. I told him that I would rather discuss the issue in detail in a joint Grill Flame meeting environment, but that for planning purposes the following statement could be used:

SG1J

"If the training program being developed at SRI-I is completed in time (FY82), and the joint Grill Flame Committee agrees that the program is worthwhile, then INSCOM does intend to send personnel there for training."

3. (U) I cautioned [redacted] about doing business this way because misunderstandings have developed in the past. I told him that the subject needed to be discussed, in detail, at the next Grill Flame Committee meeting.
