2. (S/NF/SK) Session: Source was not informed that site would be one that he had worked on several previous occasions. Original coordinates used. Source moved through S1/2/3 and was instructed to proceed to S6. Further instructions were to use a time line that encompassed the decade 1971-1980 and to search it for "peak activity" points. This done, source was asked to describe elements of the activity at that point.
