SUMMARY OF INFORMATION

The release of USMC LTC William (Rich) Higgins is a foregone conclusion, a the result of direct negotiations by UN Secretary General Perez de Cuellar with Iranian representatives during preliminary talks regarding the 20 August 1988 Cease Fire. By mutual agreement the release of Higgins was to be effected without fanfare, on a close hold basis, and within the aegis of the UN. LTC Higgins is currently located at the Beirut International Airport. See "H" at Enclosure 1. USMC LTC Higgins will proceed as previously reported, via ship to the destinations previously outlined.

Thomas Sutherland is also currently located at the Beirut International Airport. His location is indicated as "S",

helicopter and to diminish the opportunities for the abductors to be recognized in a congested area such as Beirut; eliminating press access was of prime concern.

Terry Waite, Terry Anderson and Jesse Turner remain located in the Beqaa Valley. See ENCLOSURE 5. They are now being properly fed and cared for in preparation of their anticipated release.

Joseph Cicippio and Alan Steen were "dumped" at "As-Sahah" (ENCLOSURE 6) in accordance with previous perceptions and reporting. They will be found by the Israeli forces. (The issue of their physical survivability could not be accessed and therefore considered critical at best).
