SUMMARY OF INFORMATION

During this session, LTC William (Rich) Higgins was seen in a very green area with large trees. There was a pond nearby. The area is known for being green. This area is quite different from the dust and the brownness associated with Lebanon.

Viewer could see LTC Higgins bending down and taking off a ring from his finger and dropping it to the ground. LTC Higgins was very well aware that he was taking the ring off his finger. The ring was worn on the index finger, not on the ring finger as one might think. The ring was perceived as being big and bulky and black and gold.
