SUMMARY OF INFORMATION

During today's session, I could see a circular light beaming down into a small area that looked like an empty room.

I could see an object that was long and slender and there was a circular portion attached to the end of it. When looking only at the circular portion of the object, I could see that there were several attachments on it. These small attachments looked bright. The circular portion of the object reminded me of a diamond ring.

I then could see black arrows moving and it seemed as though they were darting through the air. One of the black arrows hit a circle within a circle.

I could see a man or a statue that was dressed in a red uniform holding a blade or a sword. The man or statue also wore a hat.

I could see a small structure in an isolated area. There was man that was holding a very long pole that had a white and blue flag attached to it. The man was waving the flag. This area was a very dull green in color.

At one point, I could see a big man and it looked as though he was lifting weights.

Sometimes I could see animated animals.

I could see a young man standing in a room. He was reading a letter on blue paper. I could see an older man and woman who were at the other end of the room watching him read the letter. The letter had something to do with another young man explaining why he didn't want to do something. The word "Santo" phonetically surfaced here. It seemed as though I was watching a story.

I saw a young man sitting at a small table. He had dark brown hair and green eyes. He was dressed casually. He was sitting in a relaxed atmosphere. It looked like there were vending machines behind.
