MEMORANDUM FOR CHIEF SCIENTIST, DEFENSE INTELLIGENCE AGENCY

SUBJECT: SUN STREAK ^{*Interim*} ~~Operational~~ Report - 8916 (U)

1. (S/NF/SK) During the period of 7 APR 89 to 24 APR 89, inclusively, 17 sessions were conducted to determine the location of a wanted felon identified as [redacted] and to provide certain Essential Elements of Information (EEI) concerning him and his location. These EEI are addressed by viewer as tasked:

2. (S/NF/SK) Perceptions of Remote Viewer 003:

a. Area Description: A western coastal area of mild climate; part of the Americas, with a desert to the east. The local area (TAB A) is suburban, mainly large isolated estates near a dense, modern city and major roads. The local language has a "Spanish" or "Italian" flavor.

b. Residence/Habitat: A large, multi-storied, "porticoed" white building with a red roof (TAB A), surrounded by a white wall and circular drive (TAB B), located on a winding, landscaped road. It is roomy, dimly lit, cool, sparsely furnished, and orderly. He is here as a "guest" of the owner, for the mutual self-interest of both parties.

c. Present Appearance and Activities: [redacted] is medium height, stocky, with tan skin and dark eyes. He is opportunistic, taking advantage of people by winning their confidence. He feels generally safe. He represents himself as something he is not, but does not go out of his way to make it believable. It is nothing more than a way to provide those with whom he is dealing with a means of "plausible denial", in the event something goes wrong. He presently feels anticipation and fascination at the prospect of completing some activity which is new to him. This is perceived as dealing with narcotics.

d. Current Alias, if any: "Rr-a-(k or t)-oh-nn"

e. Current Location: In Mexico, in the western coastal area almost due west of Mexico City (TAB D).

3. (S/NF/SK) Perceptions of Viewer 011:

a. Area Description: An isolated, rural area in a warm climate, with heavy vegetation, including large, broadleaf trees. The house is on a small gravel road with a large body of water nearby (TAB E).

b. Residence/Habitat: The house is a multi-storied farmhouse in run-down condition and an old barn and smokehouse adjacent to it. It is surrounded by trees and fronts on a gravel road. The front has a
