

REF SUN STREAK Project 9002-C (U)

9002-C1. (S/STD) RV 003. This individual appeared to have a "better feel" for the  
003 area of concern though no specific match-ups could be found. But again, this  
general information could have been obtained from media reporting.

a. (S/STD) The area periodically has dense vegetation on rolling hills  
that surround a man made reservoir.

b. (S/STD) No "water tower" is present in this area although RV 003 may  
be visualizing the water slide present at  probable residence. SG1A

9002-C  
003 c. (S/STD) RV 018. RV 018 perception of a "principal structure" (REF  
B) describes numerous structures in the El Penol Lake area.

9002-C  
025 d. (S/STD) RV 025. RV 025 mentions an "isolated shed," there are  
isolated sheds at every house in the area.

9002-C  
025 e. (S/STD) RV 025. RV 025 "feeling of isolation and abandonment  
surrounding the target area" is somewhat true. House compounds are generally  
separated from adjacent residences and most times are placed at the end of  
peninsulas. Further abandonment may reflect the fact that the drug kingpins  
are probably seldom in this area due to recent raids by Colombian Police. In  
a resort area of the type, "isolated areas" might be expected because the  
owners want exclusiveness and privacy.

9002-C  
025 f. (S/STD) "Initially, the drugs are transported by land and then by  
air." No comment - general knowledge.

g. (S/STD) "Water at foot of the hill... structure located" is a true  
statement.

h. (S/STD) No specific match-up with drawing was found. A picture of  
the closest match is attached.

2. (U) OVERALL CONCLUSION

a. (S/STD) Several of the viewers statements are true, however, many of

2. (U) OVERALL CONCLUSION

a. (S/STD) Several of the viewers statements are true, however, many of

the matches were from common knowledge items that one could expect to find in Latin America or exclusive areas, particularly with the unlimited resources available to drug kingpins.
