SUMMARY OF INFORMATION

SG1A Phonetics of the true name of the individual associated with the vessel [REDACTED] is "Col-ban", or "Neg-a-tos". The current location of the vessel associated with the call sign is in the Caribbean Ocean at approximately N-12°, W 76°.

The vessel is not privately owned and operated. This vessel is a military vessel -- like a cutter or offshore patrol boat. It is not carrying illegal drugs and it is not destined for North America. I perceive that this vessel is government owned by a Latin Country. It is a motored vessel of moderate length (see sketch) powered by diesel.
