SUMMARY OF INFORMATION

The meeting site and it's immediate surroundings are Middle Eastern in appearance. There are stone buildings and sparsely vegetated hillsides. The streets are narrow and several building are elevated well above the others utilizing existing terrain.

Inside the structure where the meeting is taking place are very high walls which are cold, and are constructed of natural materials.

The personnel at the meeting are dressed in robes and what look like sandals, the subject matter of the meeting is one of a political/ religious nature. They are trying to decide the fate of something or someone. There is much heated debate and serious warnings are issued.

The information is to be applied in the near future (relative to the site) and individuals have been dispatched to pass information and carry out certain orders and directives. This information will result in the death of numerous individuals and will create a very serious impact on the world as we know it.
