EEI:

1. WHAT IS THE CURRENT LOCATION OF THE VESSEL?

16° 45' N      71° 55' W

2. IS THE TARGET VESSEL CARRYING NARCOTICS?

Not currently. Indications that narcotics  
 were present <sup>recently</sup> but  has transferred  
 or released said narcotics at present time.

SG1A

3. Comments: This vessel has carried narcotics in the past, and recently. The contraband was w/i sealed, lidded boxes. These boxes are w/i large storage areas or compartments. These compartments are now filled with a dark, oily, putrid smelling liquid with a petrol smell. Vessel may now be on a "fake-out" run; that is, carrying things with the ~~per~~ perception that it is currently carrying. Impression is that vessel transferred contraband ~~to~~ to another vessel fairly recently.
