SUMMARY OF INFORMATION

The structure is a charcoal house which has a lot of green vegetation on the outside. The entrances have stairs and railings. The floors below are important. Hoses and wiring are present which can generate bolts of electricity. The colors red and blue are on the interior of the house. There are a few metallic drum containers which have a flammable substance inside. Possibly heroin, an opium derivative /mescaline. Small Torpedo shaped bomb shells in rope netting and plastic putty explosives are present. A man, approximately forty years old, has brown hair and brown eyes and is wanted. He has a girlfriend. Many people come into this house and it is guarded (man power). The activity is the distribution/shipping of drugs and explosives are involved.
