PROJECT SUMMARY: PROJECT # 9027

OPERATION: DAMI-PO

TASK: (15 MAY 90) Describe a target structure and its contents. Identify entrances to the structure. Describe the personnel and their activity at the structure. Describe the activity of visitors, if any, at the structure.

REPLY: The presence of a "most significant room" located partially underground. An estimated twenty, dark complected individuals were active in the area. The stairs below the house are important. "Hoses and wiring can generate bolts of electricity. the house is guarded. there is a low, dark passageway with two rows of bare light bulbs. Illegal goods packaged in cardboard boxes are present. This is a one-story house with a primitive, hastily dug basement that smells of dirt. Access to the basement is through the floor.
