SUMMARY OF INFORMATION

During this session, I could see one man sitting on a very small boat in the water. The man was waiting. It was at night.

I was then in an isolated area and I could see tall trees. There were no structures here. I could see large black thick hanging wires. It looked as though telephone wires were cut. It seemed as though activity used to take place here and now someone has made the decision that no activity will take place here.

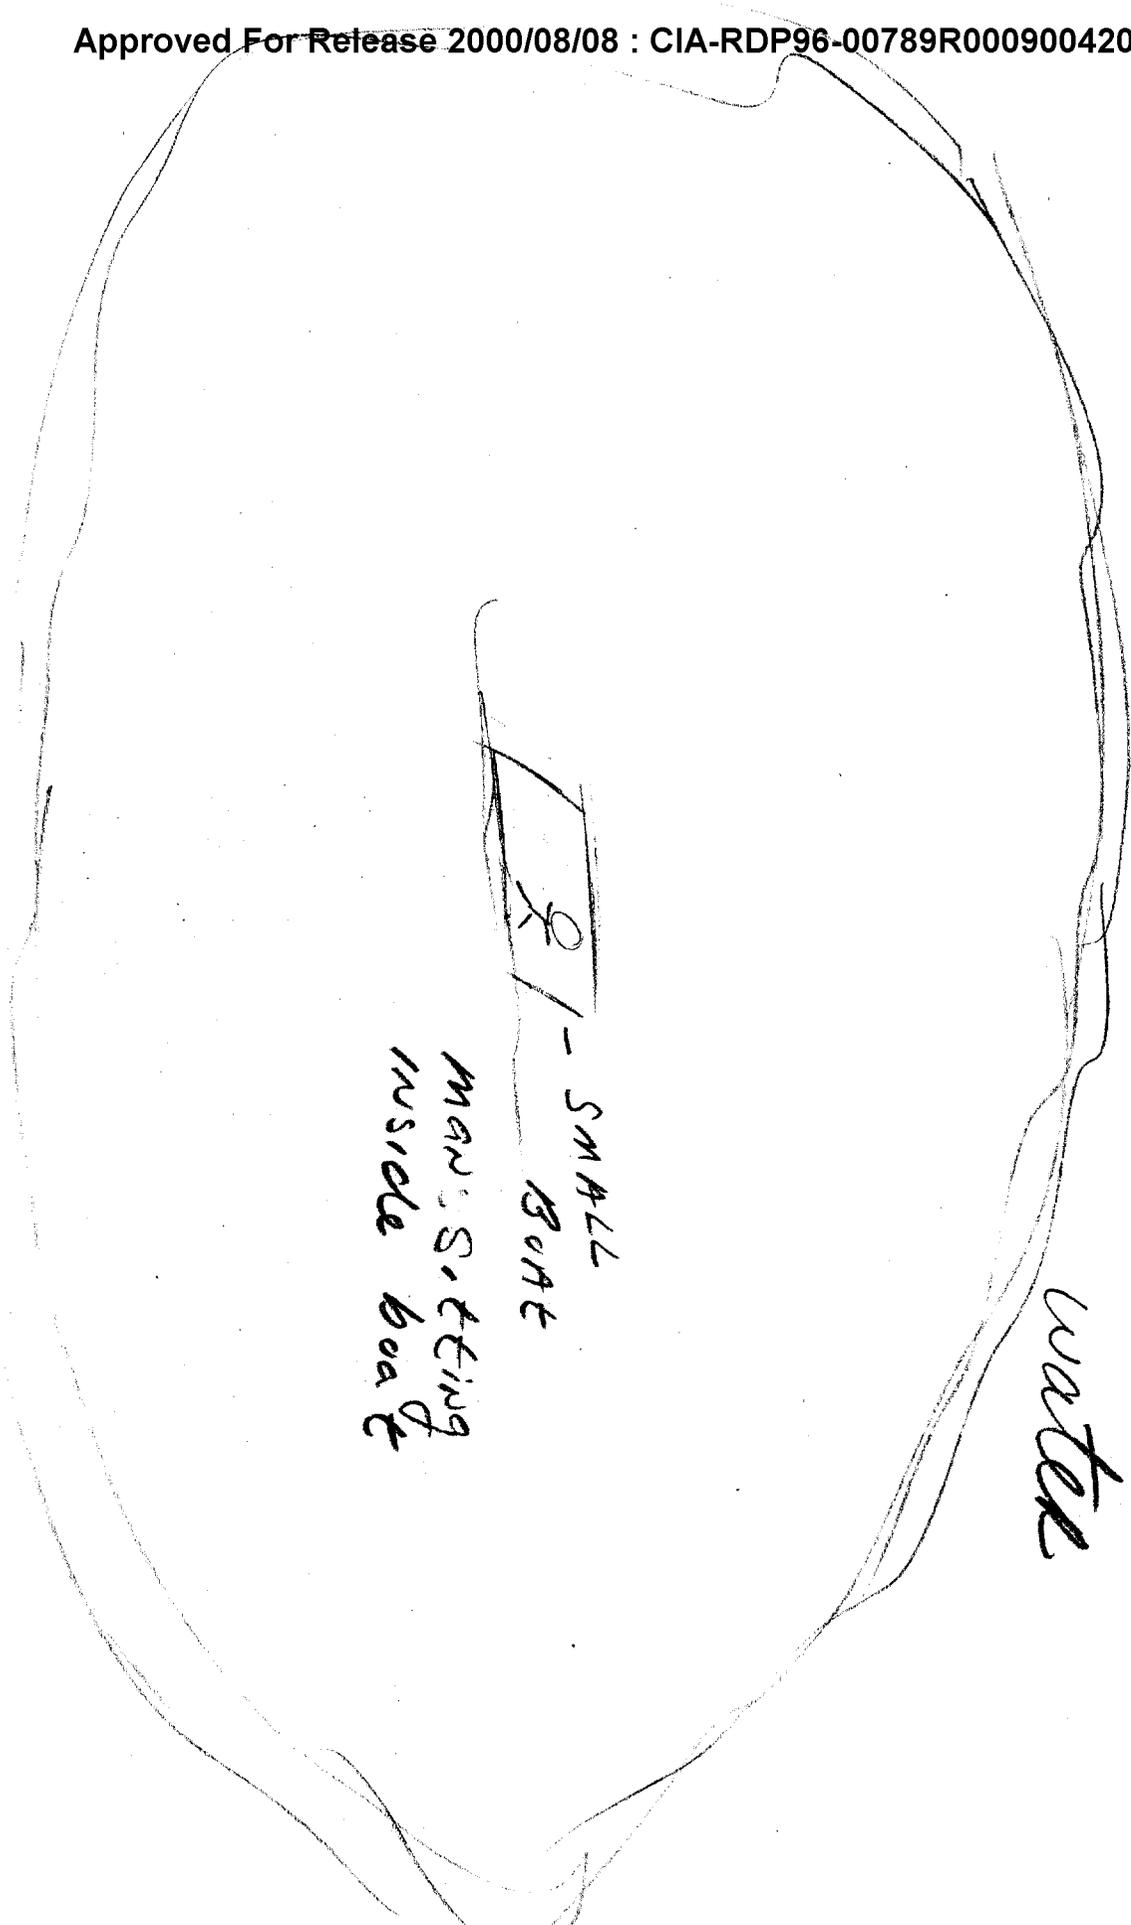

I then could see a man standing in his office. He had long black hair and a moustache. He looked as though he was in his forties. He was wearing a navy blue pin striped suit. He wore large jewelry. A man walked into his office holding many maps. They were discussing locations on a map.

Good luck's pursue.
