SUMMARY OF INFORMATION

Phonetics of the true name of the individual SG1A  
associated with the vessel [REDACTED] is "Col-ban", or  
"Neg-a-tos". The current location of the vessel associated  
with the call sign is in the Caribbean Ocean at  
approximately N-12°, W 76°.

The vessel is not privately owned and operated. This  
vessel is a military vessel -- like a cutter or offshore  
patrol boat. It is not carrying illegal drugs and it is not  
destined for North America. I perceive that this vessel is  
government owned by a Latin Country. It is a motored vessel  
of moderate length (see sketch) powered by diesel.
