SUMMARY OF INFORMATION

Phonetics of the true name of the individual SG1A
associated with the vessel [REDACTED] is "Mar-t-z", or
"Saa-t-os". The current location of the vessel associated
with the call sign is in the Caribbean Ocean at
approximately $N-16^{\circ}$, $W 67^{\circ}$.

The vessel is carrying illegal contraband in the form
of drugs -- the drug is marijuana. The destination of the
vessel is to the extreme northern coast of the United
States or to Canada if the latter is not possible. The
object has been to shorten the length of time required to
get the drugs to the street. My perceptions are that there
has been a dent made in the normal flow -- this has caused
difficulties with many people.

The vessel is several years old and is privately owned
and operated by a man in his late thirties. The vessel has
at times been chartered. It is a sailing vessel of moderate
length (see sketch).
