SUMMARY OF INFORMATION

The target is a land and water interface. This site houses things such as cargo for intended targets. The purpose of this site is for munitions. A ship is in the background. Round red packages are stacked in boxes on land. Mobile units pass through this location. A runway or thoroughfare is present. The intention is for military action and strategic defense. Objects are projected downward. Planes pass through this area in order to drop bombs.

MEMORANDUM FOR RECORD:

I ran this session on the night and time (16 Jan 91 at 7:00 p.m.) when President Bush initiated an air raid into the Middle East. I had no knowledge of this event while conducting this session at home. The television informed me of this action later that evening.
