SUMMARY OF INFORMATION

Activity seemed to consist of a big explosion occurring ^{while} outside an area. In another portion of a building, there seems to be some important documents tied in bundles. The markings on the documents that seem to be most important are blue.

The overall situation in this area seems to be ^{of} unsuccessful. A new idea or some help is coming to the situation to help it along in the immediate future. The situation seems to center around an important man who is holding on to his ideas and seems not to be giving in to progress. (Some younger men want to go into the situation and fight but negotiations will win out.)
