SUMMARY OF INFORMATION

SG1A

The vessel known as [REDACTED] has good quality powdery cocaine aboard which will not be off-loaded until after the October time frame. This vessel has ship to shore communications. The cocaine is wrapped in silver lining. The cocaine will be dropped at 32 degrees North and 140 degrees East which is south of Yokohama, Japan. The drugs will have an inflatable indicator of its location on the surface of the water. A third party is involved. A crew from inland Japan will pick up the drugs, not by ship, but possibly by plane.
