- E. SESSION SUMMARY:

The target is a strong form of energetics that manifests itself in circles or in a circular motion. Bright repeating colors of blue, red and blue/red combined (purple) are evident. There is also something pointed and sharp, like some kind of blade. There is much movement, a rushing sound, a fresh smell, and then extreme silence. It is very intense. A conceptual sketch is attached.

VIEWERS COMMENTS: I would like to work another session on this target. Being able to work only once, I was able to get the concept but lack detail. Another session is needed to make any sense of what the target is. TDY requirements did not give me another opportunity to work prior to the due date of the tasking.
