- E. SESSION SUMMARY:

Target is a male person with brown hair, dark eyes, and a "whinny voice". There is something strange about his nose; it is turned upwards, or it is long, or something about a sense of smell. He is not a nice person. He is cold and indifferent. He is wearing a soft cap/or hat and is usually not smiling. He has a square face and walks bent forward a little.

His right pocket of his shirt or jacket seems to be important. It is possible that he is carrying something of importance in it. He is carrying a metal object, intended as a weapon. It is possible that this object is a shotgun or revolver, (that has been fired and is intended to be used again).

Target person's surroundings include two tall, rectangular-shaped, skyscraper-like buildings. These two buildings are close to a Burger King restaurant. One can see the Burger King sign on

the right when facing the buildings. The building on the left seems to be the most important, specifically the 5th or 7th floor. It is possible that target person is currently there or that he lives there. Possible location: Southern part of the United States. The color most evident is red.
