SG1A INTERIM SUMMARY

The word [REDACTED] is one of at least three code words utilized to convey a degree alertness/readiness towards the implementation of activity or attack. The use of the code word

SG1A [REDACTED] implies that no action should take place; it indicates a state of neutrality. SG1A

Use of the code word [REDACTED] conveys a sense of urgency normally associated with a "red alert." The use of [REDACTED] SG1A further also implies that preparatory stages towards action should be ongoing.

A third code word implies the equivalent of a yellow alert, that is, proceed with caution. (Source was unable to identify the third code word.)

There is a strong possibility that the target personality's planned activities can be neutralized within the next few days as a result of ongoing negotiations. In the meantime he remains involved in pursuing the transfer of (big) weaponry.

Phonetics that surfaced during the session were "Ohauha/Ohauah." Source felt that there could be as many as five code words or call signs used by the target personality to indicate various states of readiness.
