E. SESSION SUMMARY:

SG1A [REDACTED] is currently located at an unidentified embassy in Tunisia. His radical approach to terrorism is somewhat tempered by his responsibilities to act as a group representative. He appears to be negotiating an arms and ammunition deal "on behalf of his people." His plans and intentions include the reestablishment and activation of splinter groups to conduct terrorist activities against the West. One of his favorite targets remains Heathrow Airport in London. SG1A [REDACTED] is also attempting to reestablish contact with the "Weathermen," a splinter terrorist group with SG1A representatives based in California. [REDACTED] feels secure and realizes that he can always count on Libya to support his activities and provide a safe haven.
