- E. SESSION SUMMARY:

The salient points of this session were: a metal and wood structure; concept of transportation; physical discomforts experienced when illegal drugs are perceived within a session; feeling of motion; water; pungent smell; green, rolling features; curving lines; a linear structure with another object looming above it; features reminiscent of wooden planks; concept of a hard, flat area; concept of being isolated; coils of material reminiscent of hose or tubing; general linear movement and generated energy.

Other perceptions included: cylinder shapes with a wide diameter; oriental association somehow; and numerous ill-defined shapes and outlines. Whatever the target is, it is, or will be, dirty.
