SUMMARY

In conducting the DF exercise, I first cooled down for a few minutes then went outside and stood under the starting tree. I immediately had a strong feeling about quadrant I, then a lesser feeling about quadrant IV (near asphalt). I went to quadrant I and walked around until I isolated about a 30 foot diameter circle I felt "good" about. I then planted my knife in the center. See sketch on back of page.

UNCLASSIFIED

This document is made available through the declassification efforts
and research of John Greenewald, Jr., creator of:

The Black Vault

The Black Vault is the largest online Freedom of Information Act (FOIA)
document clearinghouse in the world. The research efforts here are
responsible for the declassification of hundreds of thousands of pages
released by the U.S. Government & Military.
